United | COMMUNITY CENTERS

Every year, our organization brings Thanksgiving baskets to families and seniors right here in Polytechnic Heights, Diamond Hill-Jarvis, and Historic Southside. Ninety percent of our neighbors live below the federal poverty level, just \$33,000 for a family of four. When you give, every dollar goes straight into a basket. This UCC tradition only happens because Fort Worth shows up for Fort Worth.

Last year, 600 families in our neighborhoods had a holiday table, all because of neighbors like you. Let's make it happen again this year.

\$50 fills one basket, and covers everything in it, from the turkey to the cranberry sauce. Every dollar you give goes straight to the table.
