# SUMMER

A MEMORABLE ONE FOR A  
FORT WORTH CHILD

Beginning June 5 United Community Centers will host 300 children for a 10-week Summer Education Enrichment Program. During the summer, children will enjoy fun and safe activities such as arts and crafts, music and exciting field trips. *It is so much more than just summer camp,* students also benefit from United Community Centers' educational programs offered during the school year to prevent and minimize learning loss.

*Help us raise \$90,000 to provide a summer of enrichment, experience and education*
